HERA II

The perfect blend of utility and aesthetic, the Hera features a dual action dagger blade and streamlined body. The handle, made of black anodized aircraft aluminum, is accented with machined patches that allow for maximum grip. The most unique feature of the Hera is the pocket clip—milled from titanium and featuring a smooth ball that glides with ease into your pocket, the Hera is a beautiful addition to your everyday carry.

- Overall Length: 7.50″
- Blade Length: 3.00″
